**Monmouth County Homeless System Collaborative  
HUD Continuum of Care Program  
2017 Renewal Project Application  
Scoring Guide**

- Projects providing permanent housing in the form of supportive housing or rapid re-housing will get 15 points. Projects requesting funds for the communitywide coordinated assessment process will get 10 points. All other program types for new applications will receive 0 points.
- New projects indicating that at least 85% of their beds will be dedicated to the chronically homeless will receive 10 points. New projects indicating that at least 85% of their beds will be dedicated to families will receive 8 points.
- Projects prioritizing within the target population based on severity of need where assessment of severity of need is a standardized process will receive 5 points. Severity of need criteria may include: frequent hospitalization, history of incarceration, little or no income, history of domestic violence, active or past substance use, LGBTQ, resistance to services or other criteria reflecting significant barriers to accessing housing and services
- Projects identifying the use of a Housing First Model will receive 10 points.
- Projects demonstrating low barriers to program admission and flexible participation policies designed to retain program participants will receive 5 points. This may include policies related to active substance use, engagement in services, level of income, criminal background, and/or DV status among other criteria
- Project monitoring score will account for 33 points. Project monitoring scores will be based on information gathered during on-site/desk monitoring conducted by the CoC review committee. The monitoring process includes a review of program compliance and project performance in relation to locally approved performance standards. Please see the monitoring tool and monitoring guide for more information on the items included in the monitoring score. The monitoring score for the local selection process will be pro-rated based on point received during the monitoring process
- Projects demonstrating an effective use of program funds as reflected in minimal amounts of funding recaptured by HUD annually, and at least quarterly drawdowns of funding from the LOCCs system will receive 5 points
- Project demonstrating realistic measurement tools and strategies to assist the community in addressing system performance will receive 10 points
- Agencies demonstrating solid financial health through 990s and audit reports submitted will receive 5 points
- Projects completing the application in its entirety and providing an accurate budget will receive 2 points.
